About Medjugorje

Since 1981, in a small village in Bosnia-Herzegovina named Medjugorje, the Blessed Virgin Mary has been appearing and giving messages to the world. She tells us that God has sent Her to our world, and these years she is spending with us are a time of Grace granted by God. In Her own words She tells us, "I have come to tell the world that God exists. He is the fullness of life, and to enjoy this fullness and peace, you must return to God".

- **We will be traveling through Ireland and will overnight there with time to see the city of Dublin.**
